

4th edition of the International Geopolitical Competition 2021

WEAPONRY QUIZ

<http://ptg.edu.pl/olimpiada/>

There is 10 weaponry pictures as a puzzle to resolve for you within a week!

Each puzzle gives 1 point to the general classification when correctly resolved. 0,5 for country of origin, and 0,5 for the name.

There is up to 10 points to gain. Halves are rounded down for general classification!

For those who will gain same amount of points, time of reply is taken into account. The faster is the better.

Pictures are without any names and scale. They can be rotated in any direction and blurred.

Good luck!
